

GM GALAXY METALS

An ISO 9001 : 2015 Certified Company

Manufacturer of All Types of
HIGH PRECISION BRASS COMPONENTS

Company Profile

Establishment of over 45 years of Dedication

Galaxy Metals has been established in 2006 with under the experience of its parent Company Galaxy Industries, established in 1972 By Mr. U.B. Kataria in Jamnagar (Temple City) western side of India. Our hard working, experience and quality of products have enabled us to become leader in Brass Components Industry.

Over the years Galaxy Metals has excelled in the field of Precision Components providing products like Automobile Parts, Electrical Parts, Fasteners and various kinds of Precision Turned Components.

All metal components are manufactured under supervision of highly qualified and technically experienced engineers on most modern machines as per our customer's drawings and specifications as per national & international standard.

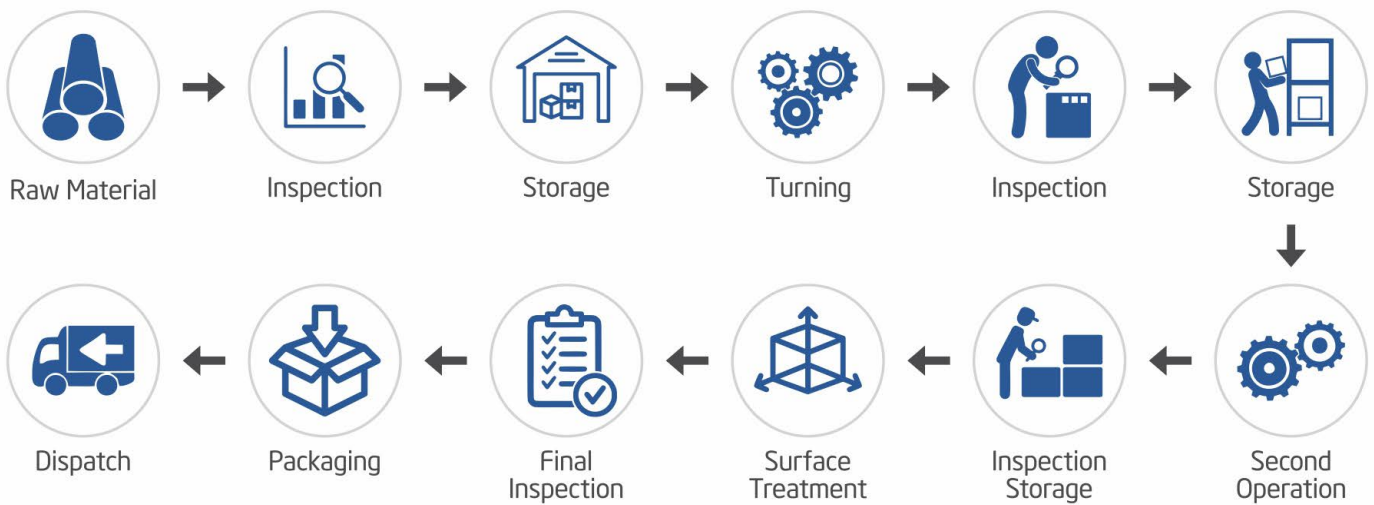

Our Group Companies

Facilities

- Raw Material Store
- SPM Unit
- Assembly Unit
- Laser Marking
- In-House Tool Room
- CNC Unit
- Turning Automatic
- Inspection Unit
- Finish Goods Store
- QC Laboratory

Manufacturing Process

Industries We Serve

Auto Industries

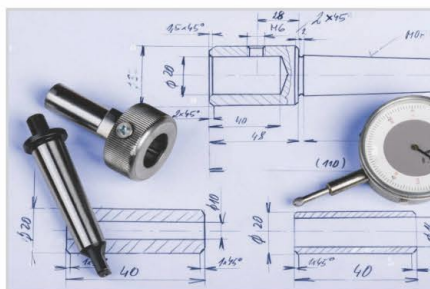

Electrical

Consumer Industries

Home Appliances

Customized Components

Plastic Moulding

Quality Assurance

Quality Assurance is an integral part of Galaxy Metals. We ensure that we are able to deliver high quality products to our customers according to their need. All our valued customers have awarded us consistently ensuring the high quality of our products. All our products pass through stringent quality testing procedures and inspections. We have an efficient quality control system in place. Quality control begins by checking raw materials for compliance with specifications.

Quality is not just another goal, it is our basic strategy for survival and future growth. We shall create an environment where each employee contributes to all aspects of our business process. We shall strive to meet with global requirements by continual improvement of our processes.

Quality Control Equipments

- Outside Micrometer (Up To 50mm)
- Vernier Height Gauge
- Depth Micrometer
- Blade Micrometer
- Vernier Calliper (In Inch As Well As Mm.)
- Dial Vernier
- Torque Testing Equipments
- Groove Micrometer
- Thread Plug Gauge
- Thread Ring Gauges
- Pin Gauge And Ring Gauges
- Thickness, Radius & Pitch Gauges
- Dial Indicators
- Special Gauges

Certification

Capabilities

Type	Accuracy
CNC Turning Machine	+/- 0.015
1/2 Traub Type Automatic Machine	+/- 0.05
DCS Double Cam Shaft Automatic Lathe	+/- 0.05
Forging Machine	+/- 0.30
Multi Station Rotary Disc Transfer Indexing Machines	+/- 0.025
3/4 Lath-Turning Machine Automatic Traub	+/- 0.05
Milling Machine	+/- 0.02
Special Purpose Milling Machine	+/- 0.02
Special Purpose Drilling Machines	+/- 0.02
1/2 Drilling Machine	+/- 0.02
Special Purpose Threading Machine	+/- 0.05
1/2 Threading Machine	+/- 0.05
Slotting Machines	+/- 0.02
Threading and Tapping Machines	+/- 0.02
Wire Straightening Machine	+/- 0.02
Multi Slide Second Operation Machine	+/- 0.05

Product Compliance : RoHS Product Compliance
Product Range : 1.00 mm diameter to 125 mm Diameter
Documentation : PPAP Level 3

Processing Material : Brass, Bronze, Copper, Stainless Steel
Annual Processing Volume :
 70 Million Components of Different Profile & Mechanical Design

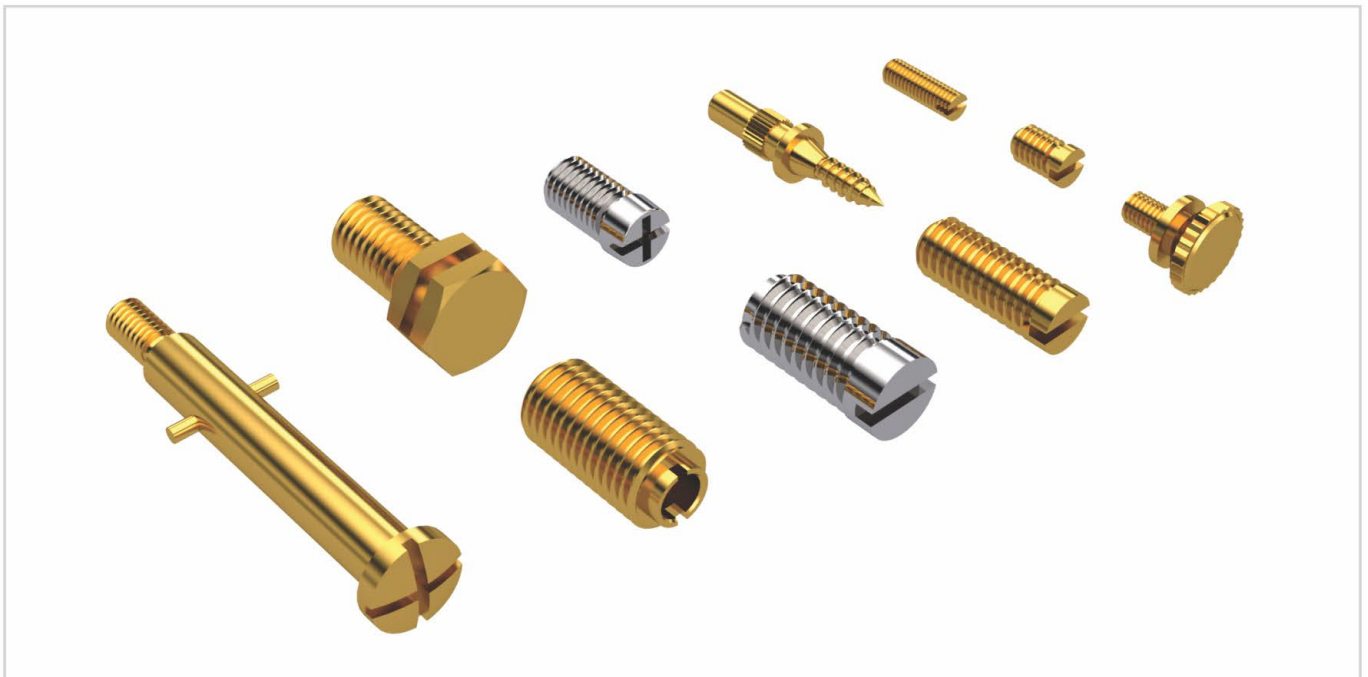

Brass CNC Turned Parts

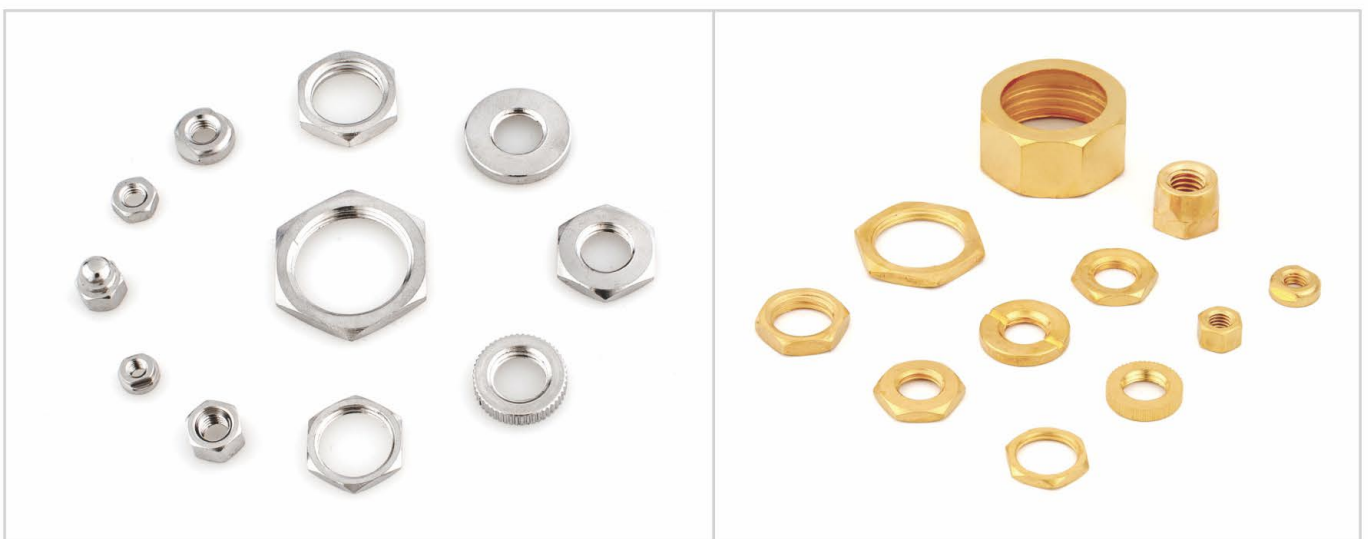

Brass Automobile & Sensor Parts

Brass Insert

Brass Screw

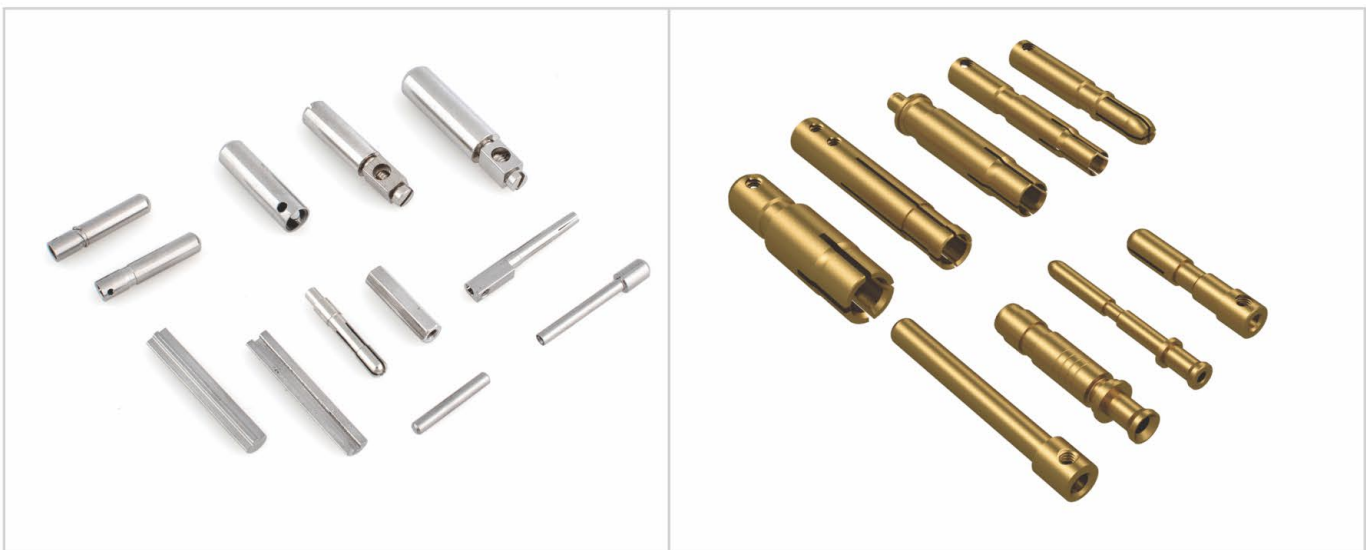

Brass Nut

Brass Thermostat & Related Parts

Brass Electrical Parts

Brass Plug & Socket Pins

Brass Forging Parts

Brass Fitting Parts

Brass Pressure Gauge

Brass Micro Components

Presence Across The Globe

 France

 Germany

 Spain

 Italy

 Poland

Office

 64, Digvijay Plot, Near Jolly Bungalow,
Jamnagar - 361 005, Gujarat - INDIA

Factory

 Shed No. 247, G.I.D.C, Phase-2, Dared,
Jamnagar-361004 (Gujarat) INDIA
